- 6. 13.43.50 _____
- 7. 6.28.50 _____
- 8. 10.40.50 _____
- 9. _____
- 10. _____

NOTES FOR THE TEACHER:

This writing frame has numbers added to each element to provide extra support to students as they begin to use it to create sentences in Latin. Once they are confident in de-coding the sentences given they can start to create codes for a friend, and then to use the writing frame without the numbers.
