

Me llevo fatal con mi hermano menor.  
My brother is very active.  
A veces soy tonto/a.  
I get on best with my grandfather.

Creo que soy responsable.  
My worst fault is that...

Sometimes I'm daft.

Muchas veces soy sensible.  
Mi abuela es graciosa.  
My sister isn't serious.  
My brother is selfish.

My worst fault is that...

Es muy perezoso.

My sister isn't serious.  
My brother is selfish.

I'm usually understanding.  
She's hardworking.

I get on very badly with my little brother.
