NOTES FOR THE TEACHER:

TRANSCRIPT / ANSWERS:

ejemplo	Me llamo Pablo Ramos Torres.
1	Me llamo Julia Quiles Aguirre.
2	Me llamo Elena Flores Vera.
3	Me llamo Enrique Romero Silva.
4	Me llamo Rubén García Guzmán.
5	Me llamo Celia Núñez Pérez.
6	Me llamo Víctor Herrera Ortega.
7	Me llamo Inés Molina Gil.
8	Me llamo Rocío Martín Franco.

Cultural note:

Spaniards have two surnames (*apellidos*). The first surname comes from their father and the second from their mother.

For example:

Gonzalo Duarte Vega and María Hernández Díaz would name their son Miguel Duarte Hernández and their daughter Sara Duarte Hernández.

Women do not change their names when they marry.

Some common first names, such as José Luis and María Jesús, comprise more than one word, so some Spanish people have very long names!
