## NOTES FOR THE TEACHER:

This is a listening activity designed to help children to listen carefully and to distinguish between the Spanish vowel sounds.

Say one of the words for each question, and children circle the one they think you are saying.

Many thanks to the members of the Languages in Primary Schools Facebook group (LiPS) for their help in crowdsourcing these words.

Here is the complete list if you'd like to do some more practice with your classes:

dedo / dado
