

## The future (I)

- This worksheet enables students to practise and differentiate between the two forms of the future tense - the *ir a + infinitive* immediate future construction and the future tense proper.
- In the first exercise, students use the infinitives given to form the future tenses given in English.
- In the second exercise, students write in the appropriate irregular future forms.

### Answers:

- |                     |                      |

| 10. hará      | 22. pondrá   |
| 11. cabrá     | 23. podrá    |
| 12. saldremos | 24. querréis |

## The future (II)

- The crossword practises the two different forms of the future tense, irregular as well as regular verbs. Students use the infinitive and person given to work out the correct verb form and write in it the crossword.
