-IR verbs (present tense) (I)

- The first exercise enables students to practise the process for forming the paradigm of regular -IR verbs. Students fill in the 6 parts of each of the verbs listed.
- In the second exercise, the people and infinitives to be used are mixed. Students use the process from the first exercise to complete the relevant parts of the verbs.

Answers:

CUBRIR (to cover)	ABRIR (to open)	ADMITIR (to admit)
<i> cubro </i>	abro	admito
