¡Hola!

- This worksheet will familiarise students with common greetings and saying how they feel.
- First, students fill in the alphabet in the spaces provided and use the resulting code to discover the greetings written in the code.
- The puzzle contains greetings and ways of saying how you feel. Each number 2 is a letter H, each 20 an O, each 13 an L and each 16 an A (these are given in the puzzle to start students off). Once all incidences of these letters are filled in on the puzzle, more words will begin to emerge. By filling in the gaps, students will find out the numbers, which relate to more letters, and so on. Students can keep a record of the letters and numbers that they have matched up by filling in the answer grid in the bottom right-hand corner.

**Answers:**

- Hola
- Buenas días
- Buenas noches
- Tardes
- Bien gracias
- Qué tal muy
- Hasta luego
- Adiós
