amarillo
azul
blanco
gris
marrón
morado
naranja
negro
rojo
rosado
verde

Colours (I)

- This worksheet is designed to enable students to practise the colours as a preliminary to more intensive work on adjectives.
- In the first exercise, students colour in the crayons correctly to serve as a "mini-dictionary" for later exercises.
- In the second exercise, students work out the answers to the sums, then cross-reference their answers with the colours grid on the left to colour in the letters correctly. Letter A is done as an example.

Answers:

B black
C red
D white
E grey
F blue
G brown
H green
I yellow

J purple
K blue
L purple
M orange
N black
O brown
P orange

Colours (II)

- For the first exercise, students colour in the circles correctly, then solve the colour "sum", colour in the answer circle correctly and write the colour name underneath.
- In the second exercise, students match up the colours with the objects.

Answers:

verde rosado
morado gris
naranja marrón

1. amarillo
2. gris
3. verde
4. negro
5. azul

6. marrón
7. morado
8. rosado
9. blanco
10. rojo
